Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Tuesday 27 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Heavy showers throughout. Feeling cooler into the weekend.

Today:
A few bright spells, but on the whole rather cloudy. One or two showers during the morning, these breaking out more widely for the afternoon with local hail and thunder. Maximum temperature 22 deg C (72 deg F).

Tonight:
Showers easing this evening, although one or two persisting overnight. A lot of cloud around, with a few clearer spells later. Temperatures feeling cooler with a breeze. Minimum temperature 14 deg C (57 deg F).

Wednesday:
Mostly dry at first with some bright spells. Showers soon developing though, these turning heavy again with some hail and thunder. Breezy, with a fresher feel. Maximum temperature 20 deg C (68 deg F).

Outlook for Thursday to Saturday:
Unsettled conditions throughout, bringing a mix of clear or sunny spells and scattered showers, some of the showers heavy with thunder. Brisk winds at first.
